

SONS OF AMERICAN REVOLUTION HOLD ANNUAL ELECTION

The twenty-fifth annual business meeting of the Arizona Society of the Sons of the American Revolution was held yesterday in this city at the office of the secretary, The Hon. F. W. Perkins presided. The following officers were elected to serve for the coming year:

President, H. R. Wilkinson; vice president, Lloyd B. Christy; secretary, Harold Baxter; treasurer, Kenneth G. Freeland; registrar, Clarence P. Woodbury; historian, Rt. Rev. J. W. Atwood; chaplain, Rev. J. Rockwood Jenkins; additional members of board of managers, Dr. H. H. Wilson of Phoenix, John C. Greenway of Bisbee and M. B. Hazeltine of Prescott; delegate to national congress, Howard S. Reed; alternate, Burton L. Purvins; national trustee, Clay F. Leonard.

The installation of these newly-elected officers will take place at the annual dinner of the society to be held this evening at 8:30 o'clock at the Woman's club at which there is expected to be an exceptionally large attendance, according to reports received by the secretary. An interesting program has been arranged and after-dinner speeches will be in order.

There was adopted by the society at its annual meeting a resolution for the purpose of recommending to congress and to the committee on immigration a more comprehensive control of immigration through legislation which will raise the standards of physique, morality and mentality required of prospective immigrants. The burden of proving that he is a fit subject for immigration should be put upon the immigrant who intends to adopt America as his home, the society believes, and the matter of immigration is regarded as most important at this time.

The society also adopted plans for an elaborate extension of its patriotic work this year and expects to resume the offering of prizes for the best oratorical efforts along patriotic lines by high school students.

The society also hopes to distribute copies of "The American Creed," authorized version to every student in the high schools, normal schools and University of Arizona.

GIRL RESERVES TO TAKE 'BIRD WALK'

A "Bird Walk" led by Joe V. Prochaska, state game warden, is on the Girl Reserves calendar for Saturday afternoon.

In announcing the event Miss Mary Lee, in charge of the Reserves, said that the program combined a hike and bird study.

After the discussion on birds which Mr. Prochaska will make at the Boarding House at 2 o'clock the girls will accompany the game warden on a hike to find the birds that have been featured in the talk.

"Every Girl Reserve must know six bird calls and be able to know and describe 20 birds," said Miss Lee yesterday. "Girl Reserves work for honors like Boy Scouts work for merit, specializing in health, knowledge, service and spirit."

SLICED ORANGES

Pour boiling water on oranges and let them stand five minutes. This will cause the white lining to come away with the skin so that a large quantity can be quickly sliced for sauce or pudding.

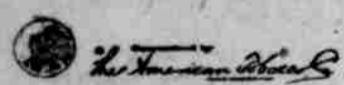

An electrically driven motorcycle is the latest.

LUCKY STRIKE

THE TOASTER

CIGARETTE

No cigarette has the same delicious flavor as Lucky Strike. Because Lucky Strike is the toasted cigarette.

Our Students Earn While They Learn

Wilson Frink, 50 West Linwood, comes to school in a Cadillac "8." Hear what he says:

"I never really enjoyed going to school until I came to the ARIZONA AUTO & TRACTOR SCHOOL. This is practical education in mechanics as we are learning by doing the actual work. Besides, we earn something as we go along. For about a half day's work, the other day, I received \$6."

W. H. Coalter, 1501 West Adams, attended school 6 weeks, made most of his tuition while attending, and immediately secured a job driving a taxi in Phoenix. His stand is in front of the Commercial Hotel. Ask him about the School.

Better yet, come in and see our classes at work and find out from them how well they are satisfied.

Liquor And Jazz Suggested Aid To American Liners

[Republican A. P. Leased Wire]

WASHINGTON, Feb. 22.—Liquor and jazz music were variously suggested to the shipping board today, as a means of enabling American passenger ships to compete on an equality with foreign liners. The proposals were advanced at a conference held by the board with representatives of the Pacific coast ports on the allocation of new ships to the west coast and the establishment of trade routes to the Orient.

E. F. Blaine of Seattle said he did not believe American ships were going to be well patronized if there were "soft drinks, prayer books and hymnals in their saloons," while Roger D. Pinner, of Astoria, Oregon, declared people of his district were of a different opinion regarding liquor and "as to the hymn books we could put a little jazz music on board and keep within the law." James A. Emery of San Francisco said he agreed with Mr. Blaine, with the qualification that the ships ought to be dry, but the passengers wet.

STATE CONFERENCE Y. W. C. A. TO BE HELD AT TEMPE MARCH 4-6

The annual state conference of the Y. W. C. A. will be held in Tempe, March 4-6, according to the announcement made at the local headquarters yesterday. The eight associations in the state are planning to send delegates to the conference which will be presided over by Miss Esther Damon, girls' work secretary of the Pacific coast field, who is well known in Arizona for her work in this state. Prominent local workers also will take part in the well-arranged program which will open with a banquet at the Normal school on Friday evening, March 4.

A special train from Phoenix, already has been secured and reservations have been made for 75 girls to attend the opening event at which Dr. A. J. Matthews, president of the Tempe Normal school, will preside. The Girl Reserves Code will feature the program presented during the banquet at which toasts will be given by leading "Y" workers. The banquet will be followed by a party in the gymnasium, where "stunts" will be given by the different organizations.

The regular business session will begin on Saturday morning when a council meeting will be held. The club activities will be featured. After luncheon basketball will be enjoyed, followed by a hike and a desert picnic at which the Phoenix association will act as hostess. One of the outstanding features of the event will be a Girl Reserve pageant presented as the delegates gather around the campfire.

On Sunday, the closing day of the conference, the "Y" members will be the guests of the Congregational church at Tempe.

As yet the full list of delegates is not available, but the leaders are confident that every association in the state will send representatives to the gathering. At present there are associations in Phoenix, Douglas, Bisbee, Tucson, Globe, Miami, Jerome and Prescott.

Southwestern Red Cross Division To Have 736 Chapters

[Republican A. P. Leased Wire]

ST. LOUIS, Feb. 22.—Transfer of Colorado and New Mexico from the Mountain division of the American Red Cross to the Southwestern division was announced today by James L. Fleiser, divisional manager of the southwest.

The transfer is part of a general reorganization plan in which the number of divisions will be reduced from 13 to 8 as an economic measure, Mr. Fleiser explained.

Under the new plan, the southwestern division will be the largest in point of area in the United States. Mr. Fleiser asserted. Its territory will comprise Arkansas, Colorado, Kansas, Missouri, New Mexico, Oklahoma and Texas, with an area of 764,894 square miles. Population of territory approximately 15,000,000.

Acquisition of the seventy-one chapters in Colorado and 31 in New Mexico brings the number of chapters in the division to 736, it was said.

PATCHING HOLES

Sifted coal ashes, sand and wheat flour, mixed with water make an excellent mortar for patching holes when the plaster is broken. Use two parts ashes and sand to one of flour.

In addition to completing warships in the course of construction in the Italian navy, it has been decided to build 64 submarines, four destroyers, eight armed motorboats, eight mine layers and one or two scout boats.

Grapes in New York have risen in price from \$25 to \$125 a ton.

Round-Up Of Jackrabbits, Pests Of Farmers, Is To Be Held Near Chandler On Next Saturday

Results Of a Good Drive

A good old-fashioned rabbit drive is scheduled to take place at the C. W. McColly farm one and one-half miles south and two miles west of Chandler, at 1:30 p. m. Saturday, Feb. 26.

The jackrabbits have been destroying the crops and the Chandler farm bureau has asked the United States

biological survey and the county agricultural agent to assist them in holding the drive. A rabbit tight corral has been constructed, with wings of rabbit proof fence extending out on each side for a mile.

The plan is for every one to meet at the C. W. McColly farm at 1:30 p.

m. Saturday. The infested area will then be surrounded and the rabbits driven into the corral. No guns will be allowed, but everyone is urged to bring a club, a tin horn, or a cowbell. If you want to have some fun and assist the farmers at the same time, this will be your golden opportunity.

them is true. Anyway, they will be here on Thursday and Glendale people will have the opportunity to judge for themselves.

Things Quiet

Due to Tuesday being a holiday, things were more or less quiet in Glendale. Many people attended picnics, others were in attendance at the initiation at the Shriner's meeting. The only business houses that were closed were the banks.

It was also a quiet day in the justice court, nothing coming up of interest. The examination trial that was scheduled for today was called off until the latter part of the week.

Practice Game

In a practice game held on Tuesday afternoon at the local high school grounds between the regular high school team and the alumni, the alumni

STAGE SET FOR PHILS

PHILADELPHIA, Feb. 21.—President Baker of the Phils finds Gainesville has everything a cellar club needs for training purposes.

CAPT. JAMES P. BATES DIES AT THE AGE OF 77

Captain James P. Bates died yesterday at his home on East Willetta street after a long illness of an affection of the heart. Pending word from relatives in Texas, funeral arrangements have not yet been announced. Captain Bates was 77 years of age and a native of Kentucky, though the greater part of his life was spent in west Texas whence he came to the Salt River valley 14 years ago.

He leaves beside his faithful wife, five sons and three daughters; all residents of Arizona: William, James, Jefferson, Thurman and Kenneth and two daughters, Mrs. Sent Kent and Mrs. Emma McGinnis. Another daughter, Mrs. B. M. Fugate, died here a few years ago. There are two brothers in Texas, Jefferson and William Bates.

Captain Bates served through the Civil war in the Confederate army and he was a member of the United Confederate Veterans and was commander at one time of the local camp. He served here as court bailiff and for a

time was custodian of the Casa Grande Ruins.

Captain Bates was of a jovial disposition and leaves many friends to mourn his departure.

FARMERS AID STARVING
[Republican A. P. Leased Wire]
CHICAGO, Feb. 22.—Twenty-six hundred bushels of corn, gift of Woodford county farmers for the starving of Europe and Asia, were loaded in cars at Eureka today on the first of scores of "corn days" to be observed in Illinois. It was reported to the Illinois agricultural association tonight. Corn shelling machines were set up in the main street. The cobs were sold and the proceeds will be added to the relief fund.

Organizations of the Pennsylvania national guard, which comprises the 28 divisions of the army, are entitled to wear the red keystone they held overseas.
